INVITATION TO BID

To:	All Interested Subs/Suppliers
Job:	Etna Water System Improvements Project
Location:	Etna, CA
Bid Date:	August 13, 2025 1:00 pm
Start Date:	Summer/Fall 2025
Duration:	540 calendar days
Estimate:	\$ 5,000,000
Walk Thru:	July 9, 2025 1:00 pm

General work description: The project consists of improvements to an existing surface water treatment plant including the addition of (2) – 400 gpm absorption clarifier (AC) filter units, new 40’x 50’ steel moment framed filter building, new emergency generator, new filter backwash pumping system, site grading, conversion of Reservoir No. 1 to backwash ponds, new electrical and controls systems, and other ancillary civil and mechanical improvements.

Plans and specifications are available from Timberworks, at the Shasta Builders Exchange, City of Etna City Hall or the office of E & S Engineering in Yreka.

Interested bidders must submit their bids to us no later than 11:00 AM on bid day to allow time to properly evaluate and integrate all bids received. Please submit your bid to us by fax or email.

We encourage all DBE bidders to send bids. Please mark your bids with “DBE” prominently,

Potential contractors and suppliers are advised that, in accordance with Federal law, a nondiscrimination policy will be strictly enforced. Additionally, all contractors are now required to be registered with the Department of Industrial Relations in order to bid on public works projects. Please display your registration number on your bid.

Thank you,
 Steve Zook
