RE: SHUTOFF NOTICE to shut off 1/26/26, then reduced to 1/20/26

Good morning, Board Members-

My name is Jolie Hickman, I am a homeowner and resident of McCloud. I am on the Agenda for Feb 9th, @ 4pm to be heard on an appeal of a dispute of overcharging of services, late fees and an agreement that I entered that is conflicting.

I am a senior and I am disabled. Turning off my water will pose a harmful health issue for me and I am asking you to please hold off on the shut-off of my water until I am heard on Feb 9th, 2026 at which time I will provide to you that I am a senior and disabled and I am a Calfresh recipient.

Thank you
Jolie Hickman
